H.R.: What role has Kuwait played in Iraq since the collapse of the Baath government in 2003?

H.E. Abdulhamid Abdullah M. H. Al-Awadhi: Since the fall of the regime of Saddam Hussein, Kuwait has played a positive role in restoring political and economic stability in Iraq. The Kuwaiti govern-

ment has consistently been sending substantial humanitarian assistance to support the Iraqi people. This has included medical, educational and economic aid as well as the reconstruction of numerous vital infrastructural projects, facilitated by the opening of the border between the two countries.
